Patient Enrolment and Consent to Release Personal Health Information

Patient Commitment

I agree to contact my primary health care group (Group), or the designated Telephone Health Advisory Service, when I, or my enrolled child(ren) or dependent adult(s), need primary care medical advice or treatment. I promise to do this unless there is an emergency or I am travelling away from home.

I agree that if I or the person(s) I have signed for move, I will contact my Group or the ministry (see box below) with a new address and telephone number.

I understand that I can end my enrolment with this Group and enrol with another primary health care group or another family doctor after six weeks have passed from the date that I complete and sign this form (immediately if I have moved). However, I agree not to change the Group or family doctor with whom I am enrolled more than twice a year.

I understand that by enrolling a child under 16 or a dependent adult, my signature on the front of this form means that I agree to these terms and conditions on behalf of that person. When an enrolled child reaches 16 years of age, the ministry will contact him or her to confirm his or her enrolment/consent with the Group.

Consent to Release Personal Health Information

I understand that my Group will be able to offer better medical care if I permit my Group and the ministry to share appropriate and relevant information relating to my health.

I agree to allow my Group and the ministry to exchange the information in this form related to my enrolment.

I agree that my Group and the ministry can exchange information about my name, address and telephone number.

I agree to allow the ministry to release the following specific information to my Group:

- dates of immunizations (flu shots, etc.)
- dates of preventive care screening services (pap tests, mammograms, etc.)
- dates of service, fees paid and fee codes of primary health care services provided to me by a primary health care group or a family doctor outside my Group.

I agree to allow my Group and the ministry to exchange only the following information with the designated Telephone Health Advisory Service: my name, health number and version code, address, date of birth, gender.

I understand that this consent to release personal health information ends when:

- My enrolment with my Group ends or
- I cancel my consent by writing or telephoning the ministry (see box below).

The ministry will inform my Group when the consent is no longer valid. However, I understand that the information already released to my Group will remain in my medical file.

c) the Group no longer exists;

d) I enrol with another Group or family doctor; or

e) the ministry grants me an extended absence.

My enrolment with my Group and my consent to release personal health information ***may end*** when:

a) I consistently fail to meet the obligations to which I agreed in the Patient Commitment *(above)*;

b) my family doctor leaves this Group. If this happens, I may be able to enrol with my family doctor in another Group or I may choose to continue my enrolment with this Group;
